New Spring Shoes

The "Moran Shoe Stock," the "Buffalo Shoe Stock," and the "Dulles Shoe Stock," which were offered recently at such ridiculously low prices, are now completely disposed of, yet there still lingers a burning desire for low prices.

The new Spring Footwear has arrived and we are busily engaged in ticketing and placing it on the shelves.

Instead of making it so as to realize a "fantastical profit" we fully realize that we must maintain our reputation for low prices, and we have marked each pair at but a slight advance above cost.

For instance, here's a line of Ladies' Cloth-top, Button, Donagala Shoes—open toe, with patent tip; square toe, with patent tip, which we have heretofore offered at \$2.50—others at \$3.00.

Only \$1.98 Pair.

\$1.25 Ladies' Oxfords, 98c—Patent tip.

\$1.50 Ladies' Oxford, \$1.25

\$2 Ladies' Oxfords, \$1.50

\$1 and \$1.25 Misses' and Boys' But. & Lace Shoes 75c.

Burt's \$5 Shoes, \$2.

About 200 pairs of Edwin Burt's and E. P. Reed's, hand-turned and welt shoes—sold all over the world at \$5.00.

Only \$2 Pair.

Men's Calf Shoes, \$2.21.

Men's Fine French Calf Bals and "Congress" Shoes, in all the different styles of toe, sold elsewhere at \$2.50, \$4.00 and \$5.00.

Only \$2.21 Pair.

Men's Pat. Leathers \$2.48

One lot of Men's Fine Patent Leather Shoes in bals and buckers, "piccadilly" and "Paris" toe, \$5.00 elsewhere.

Only \$2.48 Pair.

Don't Be Imposed Upon.

Merchants, as a rule, try to persuade their customers to buy that which yields them most profit. The "one-sided" mattress is more profitable for them and only half the service for you. Therefore don't accept this inferior mattress. Ask for "THE REVERSIBLE" MATTRESS—take no substitute—it's the only PERFECT mattress on the market. Note that S. & B. appears in each corner of the label, else it's not genuine.
